CELEBRATION FOR THE NATIONS

WALES 2025

CELEBRATION FOR THE NATIONS WALES 2025

An **International Gathering** of Worshipers
Who Believe **the Lord is Ready** to Pour Out
His Holy Spirit again on Wales
and the nations as we align ourselves with Him.

THE VISION

*I saw the most amazing water, it was the colour of sapphire, and light shone from within it.
I tried to touch it, but something blocked my hand.
When I looked up, there were people from many nations, all of us desperate to get to the
water. The Lord told us 'It is impossible from your side, but if you sing, the water will
break out and come to you' .*

[Gail Dixon / NATIONS Leadership Team]

NOW IT SPRINGS UP!

Celebration for the Nations has been running as a worship intercession for revival since 2007. Last year we felt something was already beginning. People are more open to the Gospel. Now is the time to press in with Worship, Intercession and Witness. We would love you to **JOIN US !!**

Gather the people together, so that I may give them water.

Then Israel sang this song:

SPRING UP O WELL !

Numbers 21:16-17
